

REFUGE CHURCH LAUNCH TEAM

Refuge Church Launch Team

Serving Location: Refuge Church 441 Church Road, Ojai CA

Serving Dates: September 10 - December 2023

THE IMPACT

The Ojai Valley is famous for its creativity, beauty, and focus on spirituality, but it is not famous for knowing Jesus. It has a mix of local natives, people who have moved in from far away, and residents who have relocated from nearby Los Angeles. Its stunning setting draws in people seeking rest, spiritual fulfillment, and healing in a valley that promises to provide refuge from whatever is ailing them. Refuge Church will offer people the true rest uniquely found in Jesus. The RLC 30 by 30 vision is to help 30 new churches get started in the state of California by the year 2030. Be a part of helping The Refuge Church get started well in the Ojai Valley.

THE OPPORTUNITY

Refuge Church will launch on September 11, 2023. As a part of RLC's 30 by 30 vision to help churches start and launch well in the state of California, we are asking for 100 volunteers to commit to serving at Refuge Church in Ojai, CA, for six months. This will help build a strong foundation of willing volunteers and establish a base community as more people in Ojai begin to learn about this new church. Would you consider sharing your time, talent and energy in this way to support the launch of this church? If interested, please sign-up so you can learn more about this incredible opportunity to help people find and follow Jesus in Ojai.
